Drop off & Pick up Times:

For the safety of all, campers are not permitted to have cell phones during their week of camp. Any phone calls should be arranged through camp staff.

Should you need to contact the camp at any time, please call 608-838-3335.

Mail:

Campers love to receive mail. Remember to send mail early in the week (or ahead of time) to the address listed below. Campers are encouraged to write home. Sending pre-addressed envelopes help. Stamps are available in the camp store.

Meals:

Nutritious meals are served each day. Should campers have special dietary needs or allergies, please contact the camp prior to arrival to discuss these needs - we will be more than happy to accommodate you!

Electronic Devices:

Please leave your: cell phones, ipods, & other electronic devices at home.

PLEASE BE PREPARED

Medical Form & Medication:

A physical exam within the last 24 months is recommended for each camper. A completed medical history form **ONLINE** is required for camp attendance.

Medications should be sent in original, labeled packaging including camper name and details for administering. ALL medications are stored and dispensed by the camp health care staff by state law.

Spending Money:

Craft projects, canteen treats and camp store items are available for purchase by campers. We recommend \$25-30 for the week of camp.

Keep up with what is going on at camp:

Follow along as we prepare for summer and read daily updates during summer camp at our facebook group page - "LWBC" or subscribe to our twitter feed @THELWBC.

Clothing for camp:

In an effort to provide a wholesome, positive camp experience for all, we expect campers and staff to dress modestly. Please ensure that pants, shorts and skirts are not too short or too low-cut such that undergarments are revealed.
