

ISAIAH 40:11

He tends his flock like a shepherd:
He gathers the lambs in his arms
and carries them close to his heart;
he gently leads those that have young.

THINK

How is God like your parents or grandparents? Do they tend or take care of you and hold you close?

God leads those that have young. That means God leads your parents and those that take care of you! How does God lead your parents? (You can ask them!)

PRAY

Thank you for my parents and those that take care of me! I love it when they _____ .
Help them to follow you too!

DO

Give a hug! Gather your family in your arms and give them a giant hug, so they know you love them.
