Lake Waubesa Bible Camp (LWBC) is hosting our Thanksgiving Program Once again this year! We would love to partner with your school to bring to life this portion of our history. We are excited to be expanding our curriculum to include a more in-depth look at the Wampanoag tribe's history and culture and introduce a "historical figure highlight." The day will include:

- 👉 Playing the games of Pilgrims and Native Americans
- 👉 Experiencing the tools used by the Pilgrims
- 👉 Learning and completing chores of the Pilgrim children
- 👉 Discovering cooking methods and the foods Pilgrims and Wampanoag Tribe ate
- 👉 Discovering the cultural differences between the Pilgrims and Wampanoag Tribe
- 👉 Explore the life and impact of Edward Winslow
- 👉 Enjoying a bountiful Pilgrim feast (made by LWBC staff)

Throughout each of these elements, our teachers will re-tell the story of that first Thanksgiving conveying the importance of these historical instances. Students will learn why and how the Pilgrims came to America, the hardships they faced, encounters with the Native Americans, and what a typical day may have looked like in the lives of these people. Our staff will lead and guide your students through each of these hands-on sessions, geared towards elementary students.

LWBC would love to answer any of your questions regarding this program or rebook your school group for this season. Our desire is to provide an educational experience that is interactive but also historically accurate. We hope you will consider this opportunity that we may journey together to better know and remember our country's history! To reserve your date, please email Thanksgiving@lwbc.com or call 608-838-3335.

Sincerely,

Becca Kregness
Program Director
Lake Waubesa Bible Camp

Thanksgiving program

CLASSES

Tools

This class focuses on the Pilgrim's journey across the ocean, specifically on life on the Mayflower. It will also dive into their arrival in the New World and the challenges that faced them regarding food and shelter. Students will learn to safely use the tools Pilgrims would have used to build their houses and work the land.

Chores

The chore class teaches the Pilgrims' life in England and what drove them to seek a new home in the New World. We will follow the story of the Pilgrim's to their settled life in the New World, focusing on the chores children could and would have performed. Students will have a chance to create their own corn-husk doll to take home.

Wampanoag Life

We will spend some time looking at the Wampanoag Tribe, the Native Americans who helped the Pilgrims survive in the New World. This class will focus on the introduction between the two groups and the differences between their ways of life. Some of these practices were even adopted by the Pilgrims. They will also experience cooking over the fire and try a traditional Wampanoag stew and enjoy some traditional games.

Historical Figure Highlight

This year we will be highlighting the life and impact of Edward Winslow. Winslow served as the primary ambassador to the Wampanoag Tribe and other Native American groups in the area. We will explore his role in creating a working relationship between the Pilgrims and the Wampanoag Tribe, as well as his personal friendship with Chief Massasoit.

Thanksgiving Feast

The focus of this class is the First Thanksgiving Feast itself. It will include a review of the basic history of the Pilgrims. The students will be able to tell the story themselves by the end of the day. Students will learn how today's Thanksgiving is different than the first Thanksgiving feast.

Thanksgiving program
