

Lake Waubesa Bible Camp 2021 Covid 19 Camper Policies & Procedures (updated July 12)

Our Goals:

- A positive, fun-filled camp experience for all
- Health and safety of all staff, campers and families
- Ensure camp remains open throughout the summer

Before Camp: (We are relying on camper's family for the following, no documentation will be required)

- Monitor health for signs of Covid 19 in camper household for 14 days prior to camper arrival.
- Should a Covid 19 exposure occur or symptoms develop for camper or member of household, please obtain a Covid 19 negative test for camper 1-3 days prior to camper arrival.
- Camper should be fever-free for 24 hours prior to arrival regardless of cause of fever.
- Ensure the absence of new Covid 19 symptoms including fever on day of arrival.

Drop off Procedures—Overnight & Day Camps:

- Check-in and camper drop off will occur at camper vehicle. Family will remain at vehicle.
- Staff will be masked during check-in. We ask that all unvaccinated adults checking in camper also be masked.
- Overnight Camper's temperature will be taken upon arrival.
- For quicker check-in, complete all documents on your CampMinder account prior to arrival.
Please remove any medications listed that camper will not be taking during their time at camp.
- Have medications (both prescription and over-the-counter) ready to turn in upon arrival.
- Camper and luggage will be accompanied to cabin to meet counselor and cabin mates.

Please note: Due to the increased risk of Covid 19 exposures associated with participating in /attending activities off-site, **campers will not be able to leave camp and return** during their week of overnight camp. Late arrivals on first day and early departures for the week are permitted.

During Camp: (campers who develop a fever and/or Covid 19 symptoms during camp must return home)

- Most meals, chapels and activities will occur outside.
- Increased cleaning and sanitizing procedures will be followed.
- Hand sanitizer/ handwashing opportunities will be encouraged or required throughout the day.
- Supplies and equipment procedures are in place to help minimize exposure to infection.
- **MASKS NOT REQUIRED** when outdoors, in camper cabin room or assigned bathroom, or while eating, sleeping, or participating in any water activities (inside or outside).
- **MASKS REQUIRED** for large group activities or chapels which are held indoors. Please note: While the majority of staff and speakers will be vaccinated, staff will always wear masks when campers are required to. (Camper lanyard with nametag and clip for mask will be provided.)
- Campers are welcome to wear masks at any time as they/parents desire.

OVERNIGHT CAMP Pick up Procedures: **OVERNIGHT CAMP ENDS FRIDAYS at 2 PM**

- Staff will be masked during pick up. Masks may be removed for picture taking.
- Weather permitting, Adult and family picking up camper are invited to park and proceed to basketball court/canteen to meet camper and counselor. We ask that all **unvaccinated guests leaving their vehicles wear a mask.**

DAY CAMP Pick up Procedures:

- Camper pick up will occur at camper vehicle. Family will remain at vehicle.
- Staff interacting with families will be masked during pick up. We ask that all unvaccinated adults picking up camper also be masked.

After Camp: Please notify camp should camper be diagnosed with Covid 19 within 14 days of attending.
