COMMON QUESTIONS

When do campers arrive and depart?

Registration / Drop-off begins **Saturday, December 27 @ 3 pm**

Pick up is **Monday, December 29 @ 11:30 am**

What if I have to cancel?

Each registration deposit is non-refundable and non-transferable.

What if my child has medications he/she needs to bring to camp?

At registration, the camp healthcare staff will check in all medications (prescription and over-the-counter) and ensure they line-up with medications indicated on camper health history forms. Parents and campers will meet healthcare staff to discuss any additional information or changes that have been made. Please bring all medications (prescription and over-the-counter) in original containers. Medications are dispensed when needed by appropriate medical staff throughout the week.

What if my child has food allergies and/or a special diet?

We can make accommodations for most allergies and special diets (including gluten-free and vegetarian). Please indicate all food allergies in your health history form. The camp healthcare staff will clarify food allergies at registration. If you have additional questions or concerns regarding your child's food allergy or special diet, please email our healthcare supervisor Becca Kregness at healthcare@lwbc.com.

What about phone calls?

For the safety of all, campers are not permitted to have cell phones during their week of camp. Any phone calls must be arranged through camp staff. Should you need to contact camp at any time, please call 608-838-3335. Please remind your camper to leave cell phones, ipods, e-readers, watches/other devices that can connect to wifi, and other electronic devices at home.

What about spending money?

Campers will be able to purchase canteen treats and camp store items. We recommend \$10-15 for the Winter Blast. The canteen will be cash only during the Winter Blast.

What clothes should my camper pack?

In an effort to provide a wholesome, positive camp experience for all, we expect campers and staff to dress modestly. Please ensure that pants, shorts, and skirts are not too short or too lowcut such that undergarments are revealed. Shirts should have 2 shoulder straps, a front and a back, cover the midsection, and show no cleavage.

Activities will be both indoors and outdoors, so we encourage campers to pack layers and appropriate winter gear. A complete packing list is included at the end of the document.

What should my camper not bring?

As stated before, electronic games and devices are not allowed at camp. If they are brought, staff will collect them and return them at the end of the week. Fireworks, firearms, alcoholic beverages, drugs, and tobacco products are not allowed on our grounds.
